### Terms of Use

All of the the information on Paediatrics.info is meant for adults who are healthcare professionals or healthcare professionals in training. While we (Paediatrics.info) hope that the information is helpful, it is not meant to serve as a substitute for your own clinical judgement as a healthcare professional. Although we follow a standard set of editorial

procedures for information that we put on Paediatrics.info we do not offer you any warranty or guarantee related to this. We specifically disclaim any warranties, express or implied, including implied warranties of merchantability or fitness for a particular purpose, currency, accuracy or comprehensiveness. It's your job to evaluate the information that we provide. If you are a healthcare professional, you should exercise your professional judgement in evaluating any information, and we encourage you to confirm the information contained on our website with other sources before undertaking any treatment based on it. If you are a consumer who chooses to use the professional-level information on Paediatrics.info then you should not rely on that information as professional medical advice.

The content and design of Paediatrics.info are protected under U.K. and international copyright laws. You may look at the website online, download individual articles to your personal or handheld computer for later reading, and even print a reasonable number of copies of pages. You must not remove any copyright notices from our material. We reserve all our other rights. Among other things, this means you must not sell our information, rewrite or modify it, redistribute it, put it on your own website, or use it for any commercial purpose without our prior written permission.
